

Journey to Komodo Island

4 DAYS 3 NIGHT - START FROM LABUAN BAJO

EVERY MONDAY AND FRIDAY – Meeting Point Labuan Bajo

DAY 1

We start the trips from Labuan Bajo to Kelor Island at 09.00 AM. In this island we are swimming and snorkeling. After Kelor Island we are going to Rinca Island (Loh Buaya). In this island we will see the dragon (*Varanus komodoensis*). We will do tracking in this island around 2 hours to see the dragon and many wild animals also. After Rinca Island we are going to Kalong Island to spend the night. On this place we can see thousands of bats coming out from the mangrove when the sunset, and time to searching food.

DAY 2

At the morning we are going to Komodo Island (Loh Liang) we do same activity like in Rinca Island. After Komodo Island we are going to go to Red or Pink Beach Island. This is the best place for snorkeling, you can see beautiful coral and fish and the sands in this beach look like red. After red beach we are going to Laba Island. Our activity in this island we are hiking around 40 minutes to the top of this island. From this island you can see beautiful Flores landscape. After hiking we give you time for swimming and after this island we go to Satonda Island.

DAY 3

In Satonda Island you can do snorkeling also see the salt water lake in the middle of this island, you can swim also in this lake. After Satonda we are going to Moyo Island, first we do snorkeling and after snorkeling we tracking around 300m to see the waterfall. From Moyo Island we are going to Gili Bola and spend night there.

DAY 4

From Gili Bola Island we are heading to Lombok Island, and we will give you free transport to Mataram City or Senggigi area.
